(2) The Engine will be knocked down to the highest bidder, subject to the conditions imposed against item No. 4 of this notification.

(3) The successful bidder will be required to deposit 25 per cent (twenty-five per cent) of the Purchase Money soon after the sale is closed and to pay the balance within 2 days from the date of confirmation of the sale, failing which the deposit will be forfeited to Government and the engine re-auctioned at the risk of the first purchaser, who shall not participate in any gain but will make good any loss that may be sustained by the Farm by such resale, the deficit being recoverable as a revenue demand.

(4) If, in the auction sale, a proper price is not realised, the Director of Agriculture shall have the right to cancel the auction sale, the deposit made by the successful bidder being arranged to be returned to him at an early date.

T. KRISHNASWAMY,
Manager.

GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHTING, KOLAR GOLD FIELDS.

Abstract Notification dated 8th August 1936.

The attention of the public is hereby invited to the detailed tender notice dated the 30th July 1936, calling for sealed tenders for carting materials during 1936-37, published on pages 1189-1190 Part VI of the *Mysore Gazette*, dated the 30th July 1936.

B. K. RAM PRASAD,
Superintendent.

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHTING, MYSORE.

Notification, dated 6th August 1936.

Sealed tenders, *in triplicate*, will be received at the Office of the Superintendent, Power and Lighting, Mysore. Tenders should be superscribed with the name of the work given below. The rates should be noted both in words and figures.

2. The plans may be obtained at the Office of the undersigned at all working hours.

3. The tenders should be drawn up in conformity with the specifications furnished below writing out the rates at which different items of work will be executed, in figures as well as in words, failing which the tenders will be disqualified.

4. The undersigned reserves the right to reject the tenders without assigning any reason therefor.

5. The successful tenderer will be required to deposit with the undersigned an earnest money of Rs. 60 and execute an agreement within three days from the date of receipt of intimation as to the acceptance of the tender, failing which the tender will be disposed of otherwise.

6. The materials to be used on the work should be either best quality English or American manufacture and conform to the specifications. The work should be executed strictly in accordance with the wiring rules of this department as well as the Institution of the Electrical Engineers. Mention should also be made of the catalogue numbers of the materials offered.

7. No items other than those noted in the statement should be included in the Tender as the items include provision for masonry repairs, painting, etc.

8. The successful tenderer should carry out any changes that might be suggested during the progress of the work with regard to the location of the fixtures, switch-points, etc., without extra cost if the estimate is not materially affected by such a deviation.

9. *Name of work* :—Installing ceiling fans and wall plugs, etc., in the Show Rooms of the Chamarajendra Technical Institute, Mysore.

10. Last date and time for receiving the tenders is 24th August 1936, not later than 3 P.M.

A. C. MUNIRATNA MUDALIYAR,
Superintendent.

MYSORE RAILWAYS, MYSORE.

Notification dated the 11th August 1936.

Notice is hereby given that sealed tenders will be received at the Office of the Senior Executive Engineer, Mysore Railways, Mysore, on any working day up to 3 P.M., till Monday the 14th September 1936 for Constructing an additional Stores Building in the Central Workshops area at Mysore. Approximate estimates of quantities are given in the accompanying Schedule. The quantities are not guaranteed. The work should be completed before the end of March 1937.

2. Detailed estimates, plans, specifications, conditions of works and conditions of Schedule Agreement may be seen at the Senior Executive Engineer's Office, Mysore Railways, Mysore, on all working days between 2-30 P.M., and 4-30 P.M. When in doubt the tenderers should always ask for particulars and details.

3. Tenders should be submitted on Printed forms, which should be obtained in ample time from the Senior Executive Engineer's Office on production of a receipt for payment of rupee one to the Auditor, Mysore Railways, Mysore.

4. Every tender must be accompanied by an earnest money of Rs. 250 which should be paid to the Auditor, Mysore Railways, Mysore, and the receipt thereof enclosed along with the tender and should be superscribed " Tender for Constructing an additional Stores Building " in the Central Workshops area at Mysore ", in default of which the tenders will be rejected. Tenderers who have not done work previously in this Department should produce certificates from authorities regarding their capacity for work and execution.

5. The earnest money of the rejected tenders will be returned as early as possible after the tenders are disposed of, and in the case of the accepted tender, it will be held as a part-security deposit under Clause 4 of the Schedule Agreement referred to in Para 8.

6. The final acceptance of any tender will rest with the Agent, Mysore Railways, Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender or any portion of a tender.

7. The name of the contractor, whose tender has been accepted, will be posted on the Notice Board in the Senior Executive Engineer's Office. No enquiries regarding the acceptance or rejection of a tender will be answered.

8. Within eight days of the acceptance of the tender, the successful tenderer is required to execute the usual Schedule Agreement, in default of which his tender will be considered as cancelled and the earnest money forfeited to Government.
